## Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

## Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO will not file a patent application or its continuation or divisional application until the secrecy order is done. The USPTO will not publish an application or its continuation or divisional application made or recommended by a defense agency until the date of publication, whichever is later, 90 days from the date of filing or 180 days from the date of filing if the application is filed directly with the USPTO. This application will be cleared for publication 6 months from the filing date or 90 days from the date of publication, whichever is later, unless a response is provided to the USPTO regarding the secrecy order recommendation as to the imposition of a secrecy order.
